

BROADWAY SIDEWALKS AND BROADWAY MAINTENANCE PROJECTS

CIP # 41606 and #42003

CONSTRUCTION UPDATE #11

Week of June 10, 2024

Hi Everyone!

Construction has begun and these updates will be distributed regularly to keep the community up to date on the status of the projects. Thanks in advance for everyone's understanding and patience during construction.

Current Period

- Contractor has installed the brick veneer on the retaining wall across the street from Save Mart – the pedestrian detour remains in place for this sidewalk closure.
- Contractor finished installing the new 12-inch storm drain located east of the Broadway and Blairs intersection
- Contractor will continue with reconstruction work operations on the north side of Broadway from Carson Road to the east during the day which will include forming and pouring the new sidewalks and driveways
- Contractor will start night work operations to install a new 8-inch water main on Mosquito Road and a new 18-inch sewer on Broadway.
- Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
- **Businesses near the project site and their access will remain open during all stages of construction.**

Following Period

- **NIGHT WORK** - To help alleviate traffic congestion near the Broadway and Mosquito Road intersection, the Contractor will continue work operations to install a new 8-inch water main on Mosquito Road and a new 18-inch sewer on Broadway.
- **DAY WORK** – Contractor will continue with removal and sidewalk construction work on the north side of Broadway.

Important Information

HWY 50 eastbound off-ramp at Broadway and Mosquito Road under HWY 50 will be closed at night due to nighttime work operations at the intersection of Mosquito Road and Broadway.
