

BROADWAY SIDEWALKS AND BROADWAY MAINTENANCE PROJECTS

CIP # 41606 and #42003

CONSTRUCTION UPDATE #12

Week of June 17, 2024

Hi Everyone!

Construction has begun and these updates will be distributed regularly to keep the community up to date on the status of the projects. Thanks in advance for everyone's understanding and patience during construction.

Current Period

- Contractor will continue with reconstruction work operations on the north side of Broadway from Carson Road to the east during the day which will include demolition, forming and pouring the new sidewalks and driveways
- Contractor started night work operations to install a new 8-inch water main on Mosquito Road and a new 18-inch sewer on Broadway.
- Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
- **Businesses near the project site and their access will remain open during all stages of construction.**

Following Period

- **NIGHT WORK** - To help alleviate traffic congestion near the Broadway and Mosquito Road intersection, the Contractor will continue work operations to install a new 8-inch water main on Mosquito Road and a new 18-inch sewer on Broadway.
- **NIGHT WORK** – Contractor will be installing some new water service lines by Save Mart to allow for the shutdown and abandonment of the old 6-inch main. Additionally, the Contractor will be replacing some old water service lines along the north side of Broadway, across from Chevron, prior to pouring the new sidewalk and driveways.
- **DAY WORK** – Contractor will continue with removal and sidewalk construction work on the north side of Broadway.

Important Information

HWY 50 eastbound off-ramp at Broadway and Mosquito Road under HWY 50 may be closed at night due to nighttime work operations at the intersection of Mosquito Road and Broadway.
