

# BROADWAY SIDEWALKS AND BROADWAY MAINTENANCE PROJECTS

CIP # 41606 and #42003

## CONSTRUCTION UPDATE #25

Week of September 16, 2024

Hi Everyone!

Construction has begun and these updates will be distributed regularly to keep the community up to date on the status of the projects. Thanks in advance for everyone's understanding and patience during construction.

### Current Period

- The Contractor will be working on some minor concrete items during the day which will consist of pouring the stairs at Wiltse, pouring the new curb ramps at Mosquito, and completing the miscellaneous minor concrete curb/gutter and sidewalk repairs on the western end of Broadway.
- Most of the broadband conduit installation will be done at night but a short run will be installed during the day at Blairs and Broadway
- The night crew is continuing with the testing of the new 8-inch sewer line and the final manhole connections to put the new line into service.
- Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
- **Businesses near the project site and their access will remain open during all stages of construction.**

### Following Period

- **NIGHT WORK** - The Contractor will be finishing up the installation of the new 18-inch sewer line and will start the installation of the new storm drain lines at Carson, Splasherville Car Wash and on Schnell School Road.
- **DAY WORK** – Most daytime work operations will be concentrated at the western end of Broadway and should wrap up in the next couple of weeks.

### Important Information

HWY 50 eastbound off-ramp at Broadway will be closed intermittently at night due to nighttime work operations on Broadway.

### Contacts

Dion Carr, Resident Engineer, Dewberry, (916) 276-4721, [dcarr@dewberry.com](mailto:dcarr@dewberry.com)

Melissa McConnell, City Engineer, City of Placerville, (530) 642-5250, [mmcconnell@cityofplacerville.org](mailto:mmcconnell@cityofplacerville.org)
