CONSTRUCTION UPDATE #29

Week of October 14, 2024

Hi Everyone!

Construction has begun and these updates will be distributed regularly to keep the community up to date on the status of the projects. Thanks in advance for everyone's understanding and patience during construction.

Current Period

- The Contractor completed the continuous 3-day roadway reconstruction work at Blairs and Broadway. Thank you to everyone for your patience while this work was performed.
- The night crew has completed lowering the existing utilities in preparation for the upcoming roadway resurfacing work that is scheduled to start on October 21st.
- Day time work operations will be minimal over the next several weeks.
- The night crew will be completing one of the final utility items on the project by installing a cured in place liner on several existing storm drain pipes on the east end of the project.
- Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
- **Businesses near the project site and their access will remain open during all stages of construction.**

Following Period

- **NIGHT WORK** - Broadway resurfacing work operations will start on Monday October 21st and will last through Thursday October 31st (Monday through Thursday shifts). Work operations include asphalt grinding, roadway section repairs and asphalt paving.
- **Contractor will perform extensive sweeping and clean-up work following the asphalt grinding but is expected that there will be dust the following day - Please keep speeds down**
- **DAY WORK** – Daytime work operations will be minimal and will be mainly outside of the roadway.

Important Information

HWY 50 eastbound off-ramp at Broadway will be closed intermittently at night due to nighttime work operations on Broadway.
