## CONSTRUCTION UPDATE #38

Week of December 23, 2024

Hi Everyone!

Construction on Broadway is almost complete and the City would like to thank all of the businesses and residents of Placerville for their understanding and patience during this project and hope everyone has a Merry Christmas and Happy New Year.

### **Current Period**

- There is no work planned for this week.
- Last week the Contractor worked around the clock to wrap up the final major work operations on Schnell School Road by finishing the pipe lining installation, utility adjustment, asphalt patch paving and final pavement markings.

### **Following Period**

- **Day Work** – Contractor will complete the final punch list items associated with the pipe lining which includes sealing the liner at the Wiltse manholes and performing the final video inspection of the liner. This work is weather dependent.
- **Businesses near the project site and their access will remain open during all stages of construction.**

### **Important Information**

Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
