

BROADWAY SIDEWALKS AND BROADWAY MAINTENANCE PROJECTS

CIP # 41606 and #42003

CONSTRUCTION UPDATE #9

May 27, 2024

Hi Everyone!

Construction has begun and these updates will be distributed regularly to keep the community up to date on the status of the projects. Thanks in advance for everyone's understanding and patience during construction.

Current Period

- Contractor has backfilled the retaining wall located across the street from Save Mart and will soon be starting to install the brick veneer – the pedestrian detour remains in place for this sidewalk closure.
- Contractor completed the installation of the new Broadway water main from the Splasherville Car Wash to the Blairs intersection and will be connecting this new main to the water system next week
- Contractor completed most of the new water main and service line installations for Stout Court – They will be testing and making the final connections next week.
- Contractor will start removal and reconstruction work operations on the north side of Broadway from Carson Road and working to the east.
- Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
- Businesses near the project site and their access will remain open during all stages of construction.

Following Period

- To help alleviate traffic congestion near the Broadway and Mosquito Road intersection, the Contractor is planning night work operations in this area, in mid-June 2024 to install a new 8-inch water main on Mosquito Road and a new 18-inch sewer on Broadway.
- Contractor will start installing the 12-inch storm drain from Blairs to Splasherville Car Wash after the new 10-inch water main has been connected.

Important Information

There may be traffic delays at the HWY 50 eastbound off-ramp at Broadway due to the daytime work operations at the intersection of Mosquito Road and Broadway.

Contacts

Dion Carr, Resident Engineer, Dewberry, (916) 276-4721, dcarr@dewberry.com

Melissa McConnell, City Engineer, City of Placerville, (530) 642-5250, mmcconnell@cityofplacerville.org
