

BROADWAY SIDEWALKS AND BROADWAY MAINTENANCE PROJECTS

CIP # 41606 and #42003

CONSTRUCTION UPDATE #21

Week of August 19, 2024

Hi Everyone!

Construction has begun and these updates will be distributed regularly to keep the community up to date on the status of the projects. Thanks in advance for everyone's understanding and patience during construction.

Current Period

- Contractor continues with forming and pouring the new curb, gutter, sidewalk, and driveways on the south side of Broadway at Blairs.
- Contractor completed demolition and grading work at Broadway and Wiltse for the new curb, gutter, sidewalk and has started forming and pouring
- The night crew continued with the installation of new 4-inch sewer laterals and the new 8-inch sewer line on Broadway
- Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays.
- **Businesses near the project site and their access will remain open during all stages of construction.**

Following Period

- **NIGHT WORK** - To help alleviate traffic congestion near the Broadway and Mosquito Road intersection, the Contractor will continue work operations to install the new 18-inch sewer and manholes down the center of Broadway. Approximately 4 more weeks of sewer line work which will be followed by Broadband conduit installation.
- **DAY WORK** – Contractor will continue work operations on the south side of Broadway from Blairs to the east and at Wiltse with the forming and pouring of the new curb, gutter, and sidewalk. Then work operations will move down to the Broadway off-ramp area. Parking lot restoration work will also follow to finish the driveway areas.

Important Information

HWY 50 eastbound off-ramp at Broadway and Mosquito Road under HWY 50 will be closed at night due to nighttime work operations at the intersection of Mosquito Road and Broadway.
