Office of the Chief of Police
730 Main Street, Placerville, CA 95667

Placerville, CA – The holiday season can be dangerous for people on the roads. In December 2022 alone, 1,062 people were killed in the U.S. in alcohol-impaired-driving crashes, according to the National Highway Traffic Safety Administration. Placerville PD wants to remind the public of the dangers of driving impaired and to celebrate the holiday season responsibly by not driving under the influence.

From December 11 through New Year’s Day, Placerville PD will have additional officers on patrol looking for drivers suspected of being under the influence of alcohol and/or drugs. The high-visibility enforcement effort is part of a national campaign, *Drive Sober or Get Pulled Over*, with the goal of stopping suspected impaired drivers who put others at risk.

“During the holiday season, we see families and loved ones coming together to celebrate, and our goal is to make sure everyone gets home safely,” said Sergeant Aaron Pratt. “Impaired driving isn’t just dangerous; it’s illegal. Let’s make this a joyful and safe holiday season for everyone on the road. We urge people to act responsibly and plan a sober ride home.”

Placerville PD encourages everyone to stay in for the night or have a “go safely” game plan by scheduling a ride or designating a sober driver if you plan to consume alcohol.

Impaired driving is not just from alcohol. Prescription drugs, over-the-counter medications, cannabis products and other drugs may also cause impairment. If you plan on drinking or taking

medications with a driving warning label, let someone who is sober drive. If you see someone who appears to be driving while impaired, call 9-1-1.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
