

Notice of Public Meeting

**Tuesday, October 30, 2018
Open House from 5:00 to 7:00 PM
Town Hall
549 Main Street, Placerville**

City of Placerville - Broadway Sidewalks Project – CIP 41606

The Broadway Sidewalks Project is a sidewalk “gap closure” project on Broadway between Mosquito Road and Schnell School Road. The project will construct curb, gutter, and sidewalk in select locations and potentially construct a new transit stop. The City was successful in obtaining Highway Safety Improvements Program funding for the project in 2015. The project is currently in the Project Approval and Environmental Documentation phase, and construction is anticipated to begin in the summer of 2019. The public meeting will be an Open House and City staff and the design team will be available to provide information on the project and to answer any questions.

For information please contact City of Placerville Engineering Division at (530) 642-5250
